### **About payment . . .**

***A Little Bible Handbook* is a Canadian publication, but mail orders from outside Canada may be paid in U.S. dollars – by cheque, money order, or bank draft. Basically, in either Canada or the U.S. a cheque for \$6.00 in your national currency covers the price of the book, including the shipping and handling. However, cheques must clear the bank before the book is shipped.**

**Online ordering via PayPal is much faster, but our PayPal transactions are in U.S. dollars.**

**For orders from outside the U.S.A. or Canada, you must email the author first ([tonyhj@mts.net](mailto:tonyhj@mts.net)) to determine pricing.**

**Multiple copies can be purchased at a reduced per-copy cost by mail order, or online via PayPal, but you must email the author first ([tonyhj@mts.net](mailto:tonyhj@mts.net)) to determine pricing**

**Thank you.**
